students to prepare themselves for their dream career from the very early stage of their academic life.

This concept is brainchild of founders of Universal Coaching Centre (UCC) based in Bengaluru which itself has produced more than 100s of IAS, IPS and other officers.

It is comprised of many expressive disciplines and offers various subject combinations to students to select apart from certain compulsory subjects.

Program Outcomes

1. Develop the ability to think critically, analyze information, and evaluate arguments in various disciplines within the arts.
2. Enhance communication skills through reading, writing, speaking, and presentation exercises, fostering effective expression and articulation of ideas.
3. Acquire skills in conducting research, gathering information, and synthesizing findings to produce well-informed academic work.
4. Gain an appreciation of diverse cultures, histories, and perspectives, contributing to a well-rounded global awareness.
5. Develop the capacity to integrate knowledge and methodologies from different fields, promoting a holistic understanding of complex issues.
6. Explore ethical considerations relevant to various disciplines, and recognize the ethical implications of academic and real-world scenarios.
7. Cultivate problem-solving skills by engaging with complex questions and challenges presented within the arts and humanities.
8. Encourage creative expression through artistic endeavors, literary analysis, and interpretation of cultural artifacts.
9. Foster an understanding of societal issues, encouraging active citizenship and social responsibility.
10. Enhance analytical abilities to interpret and critique literary, artistic, and cultural works.
11. Understand the historical context of different periods, events, and movements that have shaped the arts and humanities.
12. Develop an appreciation for the aesthetics and cultural significance of various art forms, literature, and cultural expressions.
